IFUW will notify your branch when your contribution has been received. If contributions are more than 150 Swiss Francs (100 US\$), you may specify a specific project recipient. Donations of less than that amount are divided among the various projects. IFUW is chartered in Switzerland, therefore branch contributions are **not tax deductible**. By sending contributions through Donna (our Illinois coordinator), AAUW-Illinois can record & recognize contributions made by your branch at the next state convention.
