An Addition to the AAUW-IL 2008 Convention – May 2, 3, 2008

To fulfill our mission of advancing equity for women and girls, AAUW continues to need strong leaders who will make sure the AAUW legacy continues. In the past only 2 members per state participated in national level leadership training. This new series of DVD modules/interactive discussion will be facilitated by an Association leader, and will provide leadership skills and strategies for **ALL** members.

The **Leader's Introduction Module** includes a conversation with national leadership to:

- Provide a "state of AAUW" message
- Summarize the strategic process journey for AAUW's future
- Explain AAUW's mission and how it relates to members, branches, and the future of our organization
- Discuss the impact of AAUW mission-focused branch activities on their communities

Other leadership training modules include advocacy, education and research, and membership, fundraising, communications, and marketing.

At this critical stage in our history, AAUW needs the active engagement of all members delivering the mission to advance equity for women.

Cost is \$15 and includes a box lunch (for Leadership Training event only). Sign up will be available in April, 2008 on the regular AAUW-IL Convention registration form in your Link Newsletter or online at www.aauw-il.org.
