

LOCKPORT AREA AAUW

The Lockport area branch of the American Association of University Women welcomes members from the greater Will County area. This branch of AAUW was chartered in 1972. Over the years, this branch has worked tirelessly to support AAUW's mission to advance equality of women and girls through advocacy, education, philanthropy, and research. Branch members have supported fund-raising efforts to donate to the national AAUW funds, the Legal Advocacy Fund, and the Eleanor Roosevelt Fund.

Our branch will have eight meetings during the upcoming 2011-2012 year. Six meetings will be held at the First United Methodist Church, 10th and Washington, in Lockport; two meetings will be at other points of interest. We strive to have programs that cover diverse areas of interest and concern. Following is a list of programs and dates for this year:
