

AAUW-BN Hosts A Summer Potluck for Members & Friends on Monday, June 16, 2008 (6 – 7:30pm)

at
Grace Johns' home
2268 Elwood Lane, Normal
(North Fields subdivision off of Northtown Road)

Co-VP for Membership, Carol Reitan, will bring chicken; and, Grace will have a variety of beverages and have table service for you to use. We hope that AAUW-BN Members will fill in the meal with some sides (veggies, fruit, bread, potatoes, desserts, etc.).

Please let Grace know by June 9th (wjgj1289@netzero.net or 452-1839):

- 1) whether you can join us;
- 2) whether you are bringing a friend and/or prospective member with you (please do); and,
- 3) what side dish you will be bringing to the meal; guests of AAUW-BN do not need to bring food; this info will be put on the web to help you pick to bring what food we're missing

Dinner will be from 6 – 7:00pm. At 7:00pm, our featured speaker, Ms. Karen Zangerle, will speak to us on the topic of:

Women and Homelessness

Karen Zangerle has worked at PATH (www.pathcrisis.org) since becoming a volunteer in 1984 and then hired in 1985 to start a new program for seniors. Currently Executive Director, Karen oversees operations that provide a 24/7 crisis response, information and referral hotline, services for homeless including the general management of the Compassion Center, and services for people age 60 and over including elder abuse intervention, caregiver advisor services, and in-home counseling for the elderly. Karen has been a part of community changes in the areas of domestic violence, homelessness, and sexual assault and sits on a number of boards and task forces. Currently president of the Illinois Alliance of Information and Referral Systems, Inc., Karen also serves on the national Affiliate Council. Most recently, Karen has been involved at the state and national level with the development of 2-1-1, an easy access number that connects a caller to local information and referrals.

We will also be collecting donations to the Compassion Center at this event: individual packages of nutritious snacks (such as granola bars, raisins, etc.) are appreciated per Karen.

This event is free and open to the public. Please see our AAUW-BN website (www.aauw-il.org/bloom) for more details. Should you need an accommodation to attend this event, please contact Grace Johns by June 9th (wjgj1289@netzero.net or 452-1839).
